Prior to taking the above-entitled patent application under examination, please review the following communication:

This is a Divisional Application of U.S. Application Serial Number 09/395,913, filed September 15, 1999. Applicant notes that the specification was amended in order to put the case in form for publication. In particular, to focus the Abstract on the presently claimed invention, to update the paragraph entitled "Cross Reference to Related Cases", and to include only the claims that were restricted out of U.S. Application Serial Number 09/395,913. As such claims 55-62 respectively of Application 09/395,913 have now been renumbered as claims 1-8.

Further, formal drawings are submitted. The drawings as submitted were previously approved in grandparent case U.S. Patent No. 6,334,219, filed 6/28/96. If the Examiner has any questions or concerns regarding this application, please contact the undersigned at the number listed below.

Respectfully submitted,

Date: 11 January '02
